- 8mm diameter twin support/locking bars to underside

#### Fixings:

- **Wall mounting pack:**  
2 x M8 heavy heavy duty expanding shield anchors complete with 2 x M8 x 60mm bolts plus HAFREN Armour Rings Security. (Code: BR / WMP [£2.45 inc. VAT; £2.13 ex. VAT])
- **Tower Mounting Pack:**  
2 x M8 x 75mm bolts, locking nuts, etc plus HAFREN Armour Ring Security (Code: BR / TMP [£2.25 inc. VAT; £1.96 ex. VAT])

#### Application:

- A level tiered rack providing your bike with a robust, user friendly, space saving cradle with dual security locking loops to take care of your bike. Top tube rests across both of the sheathed arms of the rack for maximum protection.
- The **Bull Rack** Bike Cradle can be bolted directly to the wall or any sound masonry, one above each other or any format required for maximum utilisation of space available. Alternatively, bolted directly to customer supplied towers (50mm square section) which are firmly bolted between floor and ceiling or roof as in car parks etc. Using the Tower application the **Bull Rack** Bike Cradles can be bolted either side of the Tower, two at low level and two above providing space for four bikes per tower.

See website for details.

**The TUSK Bull Rack Bike Cradle looks after your bike when not in use.**

**YOUR BIKE DESERVES IT!**
