**Product Information: TUSK MAXI MODULAR BIKE PARK KITS**

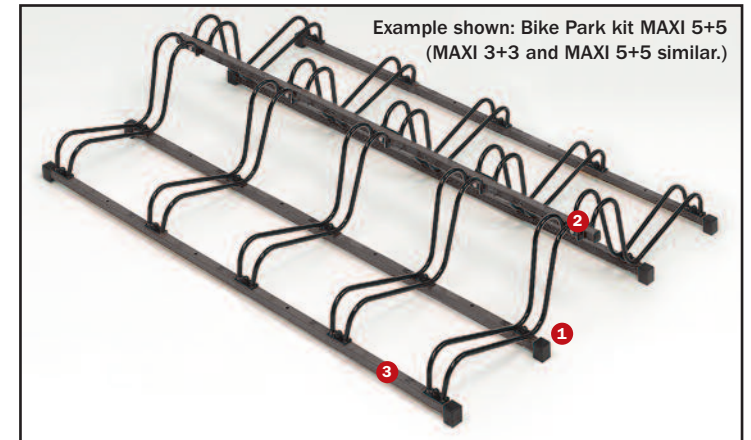

**18**

**Architects, Planners and Installers' notes** • for all Maxi back to back kits • See also Sheet 22: PLANNING YOUR SPACE to get the best installation

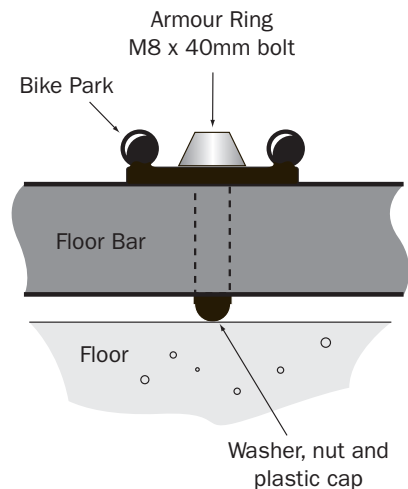

**INSTALLATION:**

1. Fully assemble complete **Bike Park** kit as shown
2. Position **Bike Park** in required location.
3. At each end of each **Floor Bar** drill through holes in **Floor Bars** into the floor with an 8mm dia. drill x 50mm deep hole.
4. Insert drill through bolt, tap end to expand sleeve and tighten nut.
5. Cut off any excess thread.
6. Tap into place and install armour ring security shields to all exposed fastener heads.

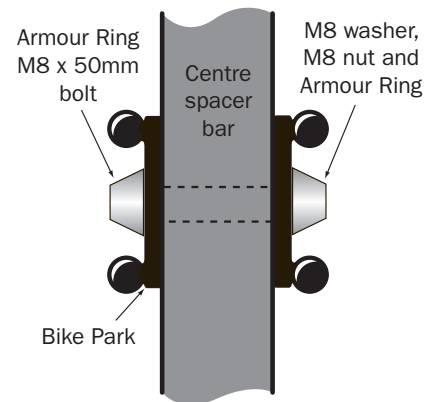

If in doubt on any aspect contact us by email or call 07767 484 465.
